RE: MANDI WHITTEN/WEENSYWEB DESIGNS

To Whom It May Concern,

We are delighted to be able to recommend the work of Mandi Whitten whose services we have employed for several years.

Our website is a major integral part of our business. We have a large number of international as well as national clients and they rely on our website for accurate and swift information. Mandi makes that possible economically and with astonishing efficiency and skill. She is very creative, no request too small to swiftly attend to, and a pleasure to work with. We are grateful that she is part of our team of very valuable suppliers.

We high commend her to anyone seeking the services of a very capable and creative web operator.

We are happy to receive enquiries.

Regards,

Russell Starke
